

# All I Got

Sean Kingston

[Intro]

Kingston

Oh, yeah yeah yeah

Oh, yeah yeah yeah

Woo! [Verse 1]

Girl, I'm the type

See what I want, take it right down

Up every night

Roll in you deep if you let me

Yeah, all up inside

Coupe in the roof, yeah, the mind gone

We geekin' tonight

You front for them but, girl, I know [Pre-Chorus]

Rolling, rolling, dopin' out my mind (ohh)

Drinking, hope I don't black out tonight (no, no)

She don't wanna get me, oh, why not? (hold on)

Tell me now, how can I make you mine? (na, na, na) [Chorus]

Real niggas all around me

That's all I got

Little Hennessy and Vodka

That's all I got

Can you drop it down for me?

That's all I got

'Round and 'round, now let me see

That's all I got

Bad hoes, yeah, they poppin'

That's all I got

Mo' money, mo' problems

That's all I got

Can you drop it down for me?

That's all I got

'Round and 'round, now let me see

That's all I got [Verse 2]

Hold on tight

Please buckle up for this ride, now

Colossal tonight

Up in the air where your legs be

Yeah, all up inside

You would if you know what I know

We're wildin' tonight  
Girl, if your body, then let's go[Pre-Chorus]
