40 Days And 40 Nights

The Enemy

I took a walk to the supermarket
It was so cold
I couldnt get back home
Through all of the snowTook a vacation to the petrol station
They were sold out
I couldnt get back home
They didnt want to knowShe's had it all night long
Where did it all go wrong?
She's had it all night long
Long, yeah40 days and 40 nights
One too many girlfriends
40 days and 40 nights
Whats he gonna feed her?40 days and 40 nights
Yeah, you gotta problem
40 days and 40 nights
What's he gonna do about that?We'll always talk, get lost in conversation
When you stopped in anticipation
You couldnt quite believe what you were hearingBut what I heard, a little birdy told me
And what she said, its quite serious
Well, she told me you're sleeping with the enemyShe's had it all night long
Where did it all go wrong?
She's had it all night long
Long, yeah40 days and 40 nights
One too many girlfriends
40 days and 40 nights
Whats he gonna feed her?40 days and 40 nights
Yeah, you gotta problem
40 days and 40 nights
What's he gonna do about that?You just slack
What you know about that?Boy, you got one too many girlfriends
For my liking, its not frightening
But someone told me she's sleeping with the enemyBoy, you got one too many girlfriends
For my liking, its not frightening
But someone told me she's sleeping with the enemyShe's had it all night long
Where did it all go wrong?
She's had it all night long
Long, yeah40 days and 40 nights
One too many girlfriends
40 days and 40 nights

Whats he gonna feed her?40 days and 40 nights
Yeah, you gotta problem
40 days and 40 nights
What's he gonna do about that?
