Yeah,yeah
Why say?CHORUSWe met,we talked,we liked,we called,we texted,we dated,we committed,I loved you,you cheated,were done,youre deleted,I gotta go. (x2)
Why,why did you lie?
I gave you my heart and you throw it tour. And now I gotta go.
Why did you lie?
If I gave you my love. But now its over.1.Ive been in love since the day I met you babe.
That was the song, it was on.
The day you ran into my eyes.
I gave you the all that my heart can offer baby.
I dont know why you have to lie.
Baby dont wonder why
Im telling you im leavin and im really about to go.CHORUSWe met,we talked,we liked,we called,we texted,we dated,we committed,I loved you,you cheated,were done,youre deleted,I gotta go. (x2)
Why,why did you lie?
I gave you my heart and you tour it apart. And now I gotta go.
Why did you lie?
If I gave you my love.
But now its over.2.You dont know I much I love you.
You dont even know the pain that Im feeling deep inside me.
Never thought you do girl whats your game

And its so hard for me cause Im in love with you.CHORUSWe met,we talked,we liked,we called,we texted,we dated,we committed,I loved you,you cheated,were done,youre deleted,I gotta go. (x2)
