

# Mourners (Remastered)

## Empyrium

Meagre trees in the shrouds,  
as olde as the stones....  
Mourners of abandond love,  
fornever their woes shall grow silent.O how many times may the moon has shone -  
reflected in these black lakes?  
Should it be that we can hear,  
the woes of those who ceased their lifes?O so old they are...  
they bare the neverending grief...  
Age-old miserability  
Ancient bitter beautyLost is the hope of those,  
who walk the moors with pain in heart.  
...and all joy it sinks,  
burried deep, forever presumed dead.
