Multiply

Forty Foot Echo

Take a breathTake a lifetime to multiply
It's just an ordinary dayGot to move
Got to find time to simplify
Now that your time has come todayAnd I don't mind
If you're around me
And I don't careTake it in
Pass it by can we justify
What we could follow down todayGot to move
Got to track and we simplify
As we change our way[Chorus]
You won't see it
If you don't believe it
It's your time to find a way
You can't see it
It's your time to find a wayThere's a breathe
There's a life can we multiply
It's just an ordinary dayGot to move
Break cycle modern life
As we fade away[Chorus]We are going to least only
What can I take into possibly
I can run
I can see
Watch you didn't fall for me[Chorus]
