I Trust You

James Fortune

(verse)
even though I can't see
and I can't feel your touch
I will trust you Lord
how I love you so much
though my nights may seem long
and I feel so alone
Lord my trust is in you
I surrender to you

(bridge)
so painful thoughts
travel through my mind
and I wonder how
I will make it through this time

(chorus)
but I'll trust you
Lord it's not easy
sometimes the pain in my life
makes you seem far away
but i'll trust you
I need to know you're here
through the tears and the pain
through the heartache rain

i'll trust you

(verse 2)
everthing that I see
tells me not to believe
but i'll trust you Lord
you have never failed me
my past still controls me
will this hurt ever leave?
I can only trust you
no one else like you do

(bridge)
so many painful thoughts

travel through my mind
and I wonder how
I will make it through this time

(chorus)
but i'll trust you
Lord it's not easy
sometimes the pain in my life
makes you seem far away
but i'll trust you
I need to know you're here
(through the tears and the pain
through the heartache rain) (REPEAT 2X AND MODULATE ON THE 3RD)

(vamp)
I can
I will
I must
trust you [REPEAT 2]

I will trust you [REPEAT 4] {modulate on you last)

I will trust you [REPEAT 4] {modulate again on you}

I'll trust you [3x REPEAT]
I will

I'll trust you {3x}
I will

God will make a way [REPEAT 4]
