

Lie Down (A Modern Love Song)

Whitesnake

You got the smile of a Monalisa,
Know it all an' giving nothing away.
You make the sins of a vestal virgin,
Look nothing more that a roll in the hay. So lie down, I think I love you,
Lie down, I think I care.
Lie down, I think I love you,
Lie down, I think I care. You give an air of the Dolce Vita,
Society's made a queen out of you.
Casanova couldn't take all your virtue,
But, rock 'n' roll is gonna steal it from you. So lie down, I think I love you,
Lie down, I think I care.
Lie down, I think I love you,
Lie down, I think I care. Come on, girl, it'll be alright,
Easy does it nice and slow.
Woah, you know, mama, that tonight's the night,
Come on and let your feelings show. Take a look in the mirror,
Tell me what you see.
If it ain't sweet surrender
You can blame it on somebody, not the devil in me. So lie down, I think I love you,
Lie down, I think I care.
Lie down, I think I love you,
Lie down, I think I care. (Solo) Take a look in the mirror,
Tell me what you see.
If it ain't sweet surrender
You can blame it on somebody, not the devil in me. Lie down, I think I love you,
Lie down, I think I care.
Lie down, I think I love you,
Lie down, I think I care...
