Without You in My Life

Labelle

How could we say its over
When its not over (baby)
How could you hold me in your arms
And say you wont miss me when Im goneChorus
I dont wanna talk about it
I dont wanna think about it
I dont wanna dream about it
I dont wanna cry about it
Without you in my life I would be so lonely
Without you in my arms I would feel so empty
Without you in my lifeWhat can I say?
Tell me what more can I do
You know I you know I I love youI cant pretend Im not that strong
Id move heaven and earth to right whats whats wrong
I said whats wrong oh ohChorus
I dont wanna talk about it
I dont wanna think about it
I dont wanna dream about it
I dont wanna cry about it
Without you in my life I would be so lonely
Without you in my arms I would feel so empty
Without you in my lifeIf only you can see what I see
(if you can only see what I see)
The love I see in your eyes
(your eyes)
Youll always be a part of me
I know that well still have the magic we cant deny
(I dont want to go)Chorus
I dont wanna talk about it
I dont wanna think about it
I dont wanna dream about it
I dont wanna cry about it
Without you in my life I would be so lonely
Without you in my arms I would feel so empty
Without you
Oh you dont know what you do to me no you dont
I said you dont have a clue what you mean to me
I said you you you .. dont you know, dont you know I cant think without you
Dont you know I said I cant dream dream without you baby

(Without you in my life without you in my life without you in my life)
I dont wanna think about it without you
