

# Long Black Limousine (with The Green River Boys)

[Glen Campbell](#)

There's a long line of mourners driving down our little street  
Their fancy cars are such a sight to see  
They're all of your rich friends who you knew in the city  
And now they finally brought you home to me  
When you left you told me someday you'd be returnin'  
In a fancy car for all the town to see  
Now everyone is watching you finally got your dream  
You're riding in a long black limousine  
The papers told of how you lost your life the party and the fatal crash that night  
The race upon the highway the curve you didn't see  
And now you're in that long black limousine  
Through tear dimmed eyes I watch as you ride by  
A chauffeur at the wheel dressed up so fine  
I'll never love another my heart and all my dreams  
Are with you in that long black limousine
