

Join Me In Death (Strongroom Mix)

Him

Baby join me in death
Baby join me in death
Baby join me in death We are so young
Our lives have just begun
But already we're considering
Escape from this world And we've waited for so long
For this moment to come
Was so anxious to be together
Together in death Won't you die tonight for love
Baby join me in death
Won't you die
Baby join me in death
Won't you die tonight for love
Baby join me in death This world is a cruel place
And we're here only to lose
So before live tears us apart let
Death bless me with you Won't you die tonight for love
Baby join me in death
Won't you die
Baby join me in death
Won't you die tonight for love
Baby join me in death This live ain't worth living
This live ain't worth living
This live ain't worth living
This live ain't worth living Won't you die tonight for love
Baby join me in death
Won't you die
Baby join me in death
Won't you die tonight for love
Baby join me in death Baby join me in death
