

Samuel

Laleh

Oh, my tangerine
Though your heart is full
your pocket's clean Keep them clean, keep them clean, clean of everything. And when you in the city go
as you cross the rules
please make sure(...?) Don't be standing freezed
and over-amazed of the neon lights If you stare, then your head will go in the night... Don't forget the wolfs in
the forest
They'll be singing at night (?) Samuel, Samuel, Samuel, Samuel
Don't compare the worst in them
Samuel, Samuel, Samuel, Samuel
Don't, with the best in you Samuel, Samuel, Samuel, Samuel
Don't, don't compare the worst in them Samuel, Samuel, Samuel, Samuel
Don't, with the best in you Only love can change us, change us
Brother Samuel, brother Samuel
Oh...(...?) My big brother's going to the city
Oh... Don't forget the trees
Go and feel the leaves in your hand In your hand... Don't forget to wash
And to clean your feet in the open sea
And compare, and compare yourself with the sea... Don't forget the bears
Keep the noises inside your head Keep them safe, keep them safe, it will keep you safe... Don't forget the woods
Woohoo... Samuel, Samuel, Samuel, Samuel
Don't compare the worst in them Samuel, Samuel, Samuel, Samuel
With, with the best in you Samuel, Samuel, Samuel, Samuel
Don't, don't compare the worst in them Samuel, Samuel, Samuel, Samuel
Don't, with the best in you Only love can change them, change us
Brother Samuel
Oh...(...?) My big brother's going to the city
Oh... If you stare, then your head will go in the night... My big brother's going to the city
Oh... Samuel, Samuel, Samuel, Samuel...
Samuel, Samuel, Samuel, Samuel...
