

Reach Out

Hilary Duff

Let's go, so bring your passport girl, I'm trying to show you the world
I know your ex did you bad but I'm your new perfect man
Dignity where you stand with just a touch of my hand
I'm trying to show you my plan, you got me girl, I'm a fan
From the minute that you walked right through the door
Thoughts were racing in my mind, time to explore
I tell my friends that I just gotta have him
But don't look now 'cause I see you staring at him
Tunnel vision had him locked on in my sight
On a mission for position by the end of the night
It's like a prey playing games with the hunter
Nowhere to run boy, time to surrender
And all I need is to feel you
All I want is to feel you
Reach out and touch me before I go insane
Reach out and touch me, boy don't you make me wait
I'm a diamond and you're so on the money
Reach out and touch me
And all I need is to feel you
Reach out and touch me
Like a prayer your touch can take me there
In my mind you and me in a secret affair
Oh boy you're killing me and you don't even know it
Tried to hold back but I can't control it
So I'm stepping to ya, skip the how ya doin'?
Grab your hand and pull you closer to me, yeah
Out the door we're slipping then we start to kissing
Boy you're invited to my fanta-tasy
And all I need is to feel you
All I want is to feel you
Reach out and touch me before I go insane
Reach out and touch me, boy don't you make me wait

I'm a diamond and you're so on the money
Reach out and touch me
Reach out and touch me before I go insane
Reach out and touch me, boy don't you make me wait
I'm a diamond and you're so on the money
Reach out and touch me

And all I need is to feel you
Reach out and touch me
Let's go, I'm here to play with fire, your body's my desire
The time to flirt across the room doesn't expire
'Cause you a superstar, get in my super car
The paparazzi watchin' us, the tube is on
I know I took it far but look how good you are
And look how good you look, one touch I'm supercharged
Baby can't you see how you're affecting me?
Baby sensual, physical fantasy
Maybe fate brought the two of us closer now
Don't you wanna, don't you wanna
Don't you wanna, don't you wanna reach out and touch me?
Reach out and touch me before I go insane
Reach out and touch me, boy don't you make me wait
I'm a diamond and you're so on the money
Reach out and touch me
Reach out and touch me before I go insane
Reach out and touch me, boy don't you make me wait
I'm a diamond and you're so on the money
Reach out and touch me
And all I need is to feel you
Reach out and touch me
Reach out, reach out, reach out
Reach out, reach out
Reach out and touch me
