Fannie Mae

Buster Brown

I want somebody to tell me what's wrong with me
Oh I ain't in any trouble and so much misery
Now Fannie Mae, baby won't you please come home
Fannie Mae ae ae, baby won't you please come home
Yeah I ain't been in debt baby since you been gone
I can hear your name a ringin' on down the line
I can hear your name a ringin' on down the line
I want to know pretty love how do I win my time, uh, uh, uh, uh, uh, uhI know for me, I know for me
Well I ain't been in trouble and so much misery
