

# Black & Blue

Miike Snow

How long has it been, shall we get into it again?  
Excuse our disgrace, we've had no time to paint the place  
The dog is always barking at the mailman  
I won't waste your time with my revelation  
Hello my friend, I see you're back again  
Hello mystery, don't bother to explain  
How 'bout maybe it's all been in my head  
Hey world, I'm tired of this black & blue, black & blue  
My dear, come again, your voice is fading out and in  
Out of the laundry bin, I found my innocence again  
The dog is always barking at the main man  
I won't waste your time with my revelation  
Hello my friend, I see you're back again  
Hello mystery, don't bother to explain  
How 'bout maybe it's all been in my head  
Hey world, I'm tired of this black & blue, black & blue  
Hello my friend, I see you're back again  
Hello mystery, don't bother to explain  
How 'bout maybe it's all been in my head  
Hey world, I'm tired of this black & blue, black & blue
