# Cataract

## Dawnbringer

Locked up in the distance
In the falter above us
As the contrails pass, you spoke your mind
Old photos distort you
And you're frowning a smile
As the misery makes you act blindStand down, fall apart and the trouble starts
Yeah, the trouble starts over again
Stand down, fall apart and the trouble starts
Yeah, the trouble starts over againIn the scenes of this casting
Where a tragedy follows
As the contrails pass this vacant skyStand down, fall apart and the trouble starts
Yeah, the trouble starts over againDisappear, Orlean
Away from tarnished golden arsenals
You're laying down again
Disappear, Orlean
Because your swan song fell on fallen heads
You're laying down againLocked up in the distance
In the falter above us
As the contrails pass, you spoke your mind
In the scenes of this casting
Where a tragedy follows
As the contrails pass this vacant skyDisappear, Orlean
Away from tarnished golden arsenals
You're laying down again
Disappear, Orlean
Because your swan song fell on fallen heads
You're laying down againTime goes nowhere
Time goes nowhereAway
Away
AwayAs the contrails pass this vacant sky
As the contrails pass this vacant sky
As the contrails pass this vacant sky
As the contrails pass this vacant sky
