

# If Jah

Tony Rebel

If Jah  
Is by my side  
I wont hide  
No I wont hide  
Boom, boom boom dis yah tune yah  
Boom, boom boom dis yah tune yah  
Boom, boom boom dis yah tune yah  
Boom  
If Jah is standing by my side  
Then why should I be afraid  
Of a pestilence that  
Crawleth by night  
If Jah is standing by my side  
Then why should I be afraid  
Of a pestilence that  
Crawleth by night  
Your best you try, to harm me and I  
Aiming to kill  
But I love you still  
Cause you are here to make  
prophecy fulfill (Its your will)  
No weapon that  
Form against me  
Desire shall not be  
Divine protection  
Shall set my soul free (Talk to me)  
Jah is standing by my side  
Then why should I be afraid  
Of a pestilence that  
Crawleth by night  
If Jah is standing by my side  
Then why should I be afraid  
Of a pestilence thatCrawleth by night  
The gates of hell  
Can never prevail  
For I know Jah  
He never fail  
What yuh think I'm gonna do  
Give up now?

No no (not gon go)  
Mass foes attack  
And I just smile  
They dont seem to  
Understand my style  
My confidence is so high  
High inna ((Abbaba Joni?))\*  
Jah is standing by my side  
Then why should I be afraid  
Of a pestilence that  
Crawleth by night  
If Jah is standing by my side  
Then why should I be afraid  
Of a pestilence that  
Crawleth by night  
Boom, boom, boom dis yah tune yah  
Boom, boom, boom dis yah tune yah  
Boom, boom, boom dis yah tune a Boom  
So talk your talk and laugh your laugh  
That wont shiver my heart  
His secret tabernacle  
Will (guide I, guide I, guide I)  
Guess your guess  
And test your test  
Dat is in your own interest  
To find out the power  
Of the (most high, most high, most high)  
Jah is standing by my side  
Then why should I be afraid  
Of a pestilence that  
Crawleth by night  
If Jah is standing by my side  
Then why should I be afraid  
Of a pestilence that  
Crawleth by night
