Rock 'n' Roll

Dropkick Murphys

Well here, babe, look at you in love with someone else
Turned out like all the others leave me by myself
That's how it works I guess and you're like all the rest
Guess I can handle it if that's the way it is
I'm in love with rock 'n' roll, it satisfies my soul
If that's how it ought to be, I won't get mad
I got rock 'n' roll to save me from the gold
And if that's all there is, it ain't so bad
Rock 'n' roll
I never been a one to have no steady girl
I love the way I live of runnin' round the world
I like to fool around, love to tear 'em down
And if I leave, you love to miss me when I'm gone
I can't imagine growin' old with anyone
Marching to a different drum, I hear a different song
I swear I love 'em all, I don't care if they're small
I don't care if they're tall, I love 'em anyway
I can't imagine growin' old with anyone
Marching to a different drum, I hear a different song
I swear I love 'em all, I don't care if they're small
I don't care if they're tall, I love 'em anyway
I can't imagine growin' old with anyone
Marching to a different drum, I hear a different song
I swear I love 'em all, I don't care if they're small
I don't care if they're tall, I love 'em anyway
I can't imagine growin' old with anyone
Marching to a different drum, I hear a different song

I swear I love 'em all, I don't care if they're small
I don't care if they're tall, I love 'em anyway
Rock 'n' roll
(I've got rock 'n' roll)
Rock 'n' roll
(I've got rock 'n' roll)
Rock 'n' roll
(I've got rock 'n' roll)
Rock 'n' roll
(I've got rock 'n' roll)
Rock 'n' roll

(I've got rock 'n' roll)
Rock 'n' roll
(I've got rock 'n' roll)
Rock 'n' roll
(I've got rock 'n' roll)
Rock 'n' roll
(I've got rock 'n' roll)
Rock 'n' roll
Rock 'n' roll
Rock 'n' roll
Rock 'n' roll
Rock 'n' roll
Rock 'n' roll
Rock 'n' roll
Rock 'n' roll
