Man Whatcha Doin'?

Fm Static

I heard this guy say once that if I had the money then I'd buy
All the happiness that money could buy
I'd have ten stretch limos like a movie star
And a room in my house just for my guitar
And if I had money then I'd only wear Sean John
Eat my cereal with Grey Poupon
In a swimmin' pool about one mile long
With speakers underwater playin' this song
Man, whatcha doin'?
Don't you know that money can't buy you love?
It can't make you happy
Happy like havin' someone to laugh with
Man, whatcha doin'?
Don't you know that money can't make it right
You need to love yourself, my man
Before you love somebody else
Man, sit down and listen to me for a second
I'm not tryin' to be the sound of a broken record
But every day you live your life thinkin' this is all there is,
You're cheatin' yourself outta somethin' special, and he said
If I had the money then I'd buy
All the happiness that money could buy
I'd have ten stretch limos like a movie star
And a room in my house just for my guitar
And if I had money then I'd only wear Sean John
Eat my cereal with Louie Vuitton
In a swimmin' pool about one mile long
With speakers underwater playin' this song
Man, whatcha doin'?
Don't you know that money can't buy you love?
It can't make you happy
Happy like havin' someone to laugh with
Man, whatcha doin'?
Don't you know that money can't make it right
You need to love yourself, my man
Before you love somebody else
