

You Can Be Loved

[Orenda Fink](#)

Champagne here, in the afternoon
Now you speak with your eyes
No fun or fair that's he's chosen youth
But that of ash she will rise 'Cause you can be loved
You Can Be Loved It's what you take 'cause nothing ever goes
How you want in life
When beauty fades she'll be its ghost
So put your arms into mine And you can be loved
You Can Be Loved Words decay
So I wanted to show you
A broken house will fail us
When we try to say
You can be loved
You Can Be Loved
