

Getting Nowhere (ft. John Legend)

Magnetic Man

I keep using my energy
Pushing in, shoving my way to peace
Almost there , almost there
Do not leave Getting nowhereAlmost there
Almost thereElectronic world
Supersonic girl
We keep moving on to nothing
We keep typing, we're not thumpingWorld won't get by me
I feel like I'm on to something
We keep moving
We're not searchingI keep using my energy
Pushing in, shoving my way to peace
Almost there, almost there
Do not leave Getting nowhereEnigmatic stream
Consciousness unleashed
Drew the inch so Magnetic
Tell me you can't forget itRunning out of time
Visions hold my mind
But I'm still holding on to nothing
Lord I hope you show me somethingI keep using my energy
Pushing in, shoving my way to peace
Almost there, almost there
Do not leave Getting nowhereNowhere nowhere nowhere
Nowhere nowhere nowhere nowhere
NowhereI think I'm gonna get there
Gonna get there
Almost there
Feel like we've been getting nowhereI keep using my energy
Pushing in, shoving my way to peace
Almost there, almost there
Do not leave Getting nowhereAlmost there
