

Only God (could Stop Me Loving You)

Emerson Drive

We saw the moon in Colorado
We made music in Tennessee
We found the gold of El Dorado
It's so good, making love, you and me
These arms, they will never hold another
And this heart, yeah it will always feel like this
'Cause only God could stop me loving you
Only God could tell me not to
He sent you from Heaven
Just to make my dreams come true
When he opened the door
That you came walking through
Only God could stop me loving you
Now we struck oil in Oklahoma
We won the Oscar in Hollywood
We climbed the canyons of Arizona
And baby, making love never felt so good
These lips, no other girl will ever kiss
And this heart, it will always feel like this
'Cause only God could stop me loving you
Only God could tell me not to
He sent you from Heaven
Just to make my dreams come true
When he opened the door
That you came walking through
Only God could stop me loving you
There ain't no girl in the whole wide world
Who could take away my heart
And there ain't no man
Who could steal your hand and tear us apart
But there is one God in Heaven above
Who gave me love, strong enough to calm my heart
Only God could stop me loving you
Only God could tell me not to
Only God could stop me from loving you
Only God could tell me not to
Only God could stop me from loving you
Only God could tell me not to
