

# Trainwreck

Demi Lovato

La di da, yeah You fled from medication  
Cause it only causes pain  
You won't go to the doctor  
Who keeps calling you insane You're lost even when  
You're going the right way  
You mean the world to me  
Even though you might be crazy And you said we wouldn't make it  
But look how far we've come  
For so long my heart was breaking  
But now we're standing strong The things you say  
Made me fall harder each day  
You're a trainwreck  
But I wouldn't love you  
If you changed, no, yeah I shook your hand  
And you pulled it right away, yeah  
You asked me to dance  
And instead I said no way Inside I was dying to give it a try  
And you begged me so I stayed  
I knew you were different  
From the way I caved And you said we wouldn't make it  
But look how far we've come  
For so long my heart was breaking  
But now we're standing strong The things you say  
You make me fall harder each day  
You're a trainwreck  
But I wouldn't love you  
If you changed, yeah, ooh, no, yeah We were so different  
But opposites attract  
So my hope kept growing  
And I never looked back  
You're one of a kind  
No one can change this heart of mine, oh And you said we wouldn't make it  
But look how far we've come  
For so long my heart was breaking  
And now we're standing strong The things you say  
You make me fall harder each day  
You're a trainwreck  
But I wouldn't love you  
If you changed, oh yeah One more thing I thought I'd share

With someone special  
I am falling like I never fell before  
It's funny you said we'd never make it  
And look how far we've come  
You're a trainwreck  
But with you, I'm in love
