

# Ride On

AC/DC

It's another lonely evening  
And another lonely town  
But I ain't too young to worry  
And I ain't too old to cry  
When a woman gets me down  
Got another empty bottle  
And another empty bed  
Ain't too young to admit it  
And I'm not too old to lie  
I'm just another empty head That's why I'm lonely  
I'm so lonely  
But I know what I'm gonna do I'm gonna ride on  
Ride on  
Ride on, standing on the edge of the road  
Ride on, thumb in the air  
Ride on, one of these days I'm gonna  
Ride on, change my evil ways  
Till then I'll just keep dragging on Broke another promise  
And I broke another heart  
But I ain't too young to realize  
That I ain't too old to try  
Try to get back to the start  
And it's another red light nightmare  
Another red light street  
And I ain't too old to hurry  
Cause I ain't too old to die  
But I sure am hard to beat But I'm lonely  
Lord I'm lonely  
What am I gonna do Ride on  
Ride on, got myself a one-way ticket  
Ride on  
Ride on, going the wrong way  
Ride on, gonna change my evil ways  
Ride on, one of these days  
One of these days Ride on  
Ride on  
I'm gonna ride on  
Ride on, looking for a truck  
Ride on

Ride on, keep on riding  
Riding on and on and on
