Howl at the Moon

StadiumX, Taylr Renee & Taylr Renee Lindersmith

Hello, you're quite beautiful yellow
My soul's exposed
I yearn to feel the changeAll through my body burns something exciting
All through my body burns something exciting
All through my body burns something exciting
Howl at the moonI see the world with eyes of desire
A warm blooded beast
With a beautiful smile
All through my body burns something excitingÂ¨
All through my body burns something exciting
