Ready, Willing & Able

Lita Ford

Baby, I'm ready and willing 'cause I'm able
To satisfy your fantasy
Baby, I'm able and willing 'cause I want it
You can get just what you need
For once I'm a young man and I'm taking the time to do things right
Keeping you satisfied all through the night
Twice I've let you slide, I just wait for the ride
And I didn't put pressure on you, I stood by your side
I just wanna let you know that I'm ready to do all the things
You want me to and if you don't mind
(Yes, I am, baby, oh, oh, yeah)
Baby, let's take it easy tonight, let's slow it down to my pace
Love is all up in you face
Baby, I'm ready and willing 'cause I'm able
To satisfy your fantasy
Baby, I'm able and willing 'cause I want it
You can get just what you need
Now wait a minute, baby, slow it down to my speed
Haven't I always given you everything you need
But now it's time, girl, to lay it all on the line
I don't wanna get fast with you, baby
I spend too much time just trying to get to know you better
Since you finally sent the lovely letter
(Lovely letter)
Take you out to dance, all of that romance
Do those things you like, stood right by your side
If you wanna make it right, girl
Just let me inside of your world
I'll never let go 'cause I wanna show
You all I have in store
Baby, I'm ready and willing 'cause I'm able
To satisfy your fantasy
Baby, I'm able and willing 'cause I want it
You can get just what you need
(Jah, jah's got it, baby, yeah)
Baby, I'm ready and willing 'cause I'm able
(I'm lying here waiting, my dear, you can get)
(What you want every time you need it)
To satisfy your fantasy

(Whenever you're ready, baby)
Baby, I'm able and willing 'cause I want it
(I'm lying here waiting, my dear you can get)
(What you want every time you need it)
You can get just what you need
(All you got to do is take my hand)
(Take my hand, take my hand, oh, yeah)
