Never Gonna Be Alone

Nickelback

Time, is going by, so much faster than I
And I'm starting to regret not spending all of it with you
Now I'm wondering why I've kept this bottled inside
So I'm starting to regret not selling all of it to you
So if I haven't yet, I've gotta let you knowYou're never gonna be alone from this moment on
If you ever feel like letting go, I won't let you fall
You're never gonna be alone, I'll hold you 'til the hurt is goneAnd now, as long as I can, I'm holding on with both hands
'Cause forever I believe
That there's nothing I could need but you
So if I haven't yet, I've gotta let you knowYou're never gonna be alone from this moment on
If you ever feel like letting go, I won't let you fall
When all hope is gone, I know that you can carry on
We're gonna see the world out, I'll hold you 'til the hurt is goneOh, you've gotta live every single day
Like it's the only one, what if tomorrow never comes?
Don't let it slip away, could be our only one
You know it's only just begun, every single day
Maybe our only one, what if tomorrow never comes?
Tomorrow never comesTime is going by so much faster than I
And I'm starting to regret not telling all of this to youYou're never gonna be alone from this moment on
If you ever feel like letting go, I won't let you fall
When all hope is gone, I know that you can carry on
We're gonna see the world out, I'll hold you 'til the hurt is goneI'm gonna be there always
I won't be missing a word all day
I'm gonna be there always
I won't be missing a word all day
