

# Times Like These (Burnt Face Mix)

## Foo Fighters

I, I'm a one way motorway  
I'm the one that drives away  
Then follows you back home  
I, I'm a street light shining  
I'm a wild light blinding bright

Burning off aloneIt's times like these you learn to live again

It's times like these you give and give again

It's times like these you learn to love again

It's times like these time and time againI, I'm a new day rising

I'm a brand new sky

To hang the stars upon tonight

I am a little divided

Do I stay or run away

And leave it all behind?It's times like these you learn to live again

It's times like these you give and give again

It's times like these you learn to love again

It's times like these time and time againIt's times like these you learn to live again

It's times like these you give and give again

It's times like these you learn to love again

It's times like these time and time againIt's times like these you learn to live again

It's times like these you give and give again

It's times like these you learn to love again

It's times like these time and time againIt's times like these you learn to live again

It's times like these you give and give again

It's times like these you learn to love again

It's times like these time and time again
