

# Times Like These (Burnt Face Mix)

## Foo Fighters

I, I'm a one way motorway  
I'm the one that drives away  
Then follows you back home  
I, I'm a street light shining  
I'm a wild light blinding bright  
Burning off alone  
It's times like these you learn to live again  
It's times like these you give and give again  
It's times like these you learn to love again  
It's times like these time and time again  
I, I'm a new day rising  
I'm a brand new sky  
To hang the stars upon tonight  
I am a little divided  
Do I stay or run away  
And leave it all behind?  
It's times like these you learn to live again  
It's times like these you give and give again  
It's times like these you learn to love again  
It's times like these time and time again  
It's times like these you learn to live again  
It's times like these you give and give again  
It's times like these you learn to love again  
It's times like these time and time again  
It's times like these you learn to live again  
It's times like these you give and give again  
It's times like these you learn to love again  
It's times like these time and time again
