

Silver Wings

[Rosanne Cash](#)

Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away and leaving me lonely
Silver wings slowly fading from sight Don't leave me, I cried
Don't take that airplane ride
Then you locked me out of your life
Left me standing here behind Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away and leaving me lonely
Silver wings slowly fading from sight Don't leave me, I cried
Don't take that airplane ride
Then you locked me out of your life
Left me standing here behind Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away and leaving me lonely
Silver wings slowly fading from sight
Silver wings slowly fading from sight
