People Are Strange

Tiny Tim

People are strange
When you're a stranger
Faces look ugly
When you're alone
Women seem twisted
When you're unwanted
The streets around you are whole
When you're down
When you're strange
Faces come out of the rain
When you're strange
No one remembers your name
When you're strange
When you're strange
People are strange
When you're a stranger
Faces look ugly
When you're alone
Women seem twisted
When you're unwanted
The streets around you are whole
When you're down
When you're strange
Faces come out of the rain
When you're strange
No one remembers your name
When you're strange
When you're strange
People are strange
When you're a stranger
Faces look ugly
When you're alone
Women seem twisted
When you're unwanted
The streets around you are whole
When you're down
When you're strange
Faces come out of the rain
When you're strange

No one remembers your name
When you're strange
When you're strange
