

# Calypso

## John Denver

To sail on a dream on a crystal clear ocean  
To ride on the crest of a wild raging storm  
To work in the service of life and living  
In search of the answers to the questions unknown  
To be part of the movement and part of the growing  
Part of beginning to understand  
Aye Calypso the places you've been to  
The things that you've shown us  
The stories you tell  
Aye Calypso, I sing to your spirit  
The men who have served you so long and so well  
Like the dolphin who guides you, you bring us beside you  
To light up the darkness and show us the way  
For though we are strangers in your silent world  
To live on the land we must learn from the sea  
To be true as the tide and free as a wind swell  
Joyful and loving in letting it be  
Aye Calypso the places you've been to  
The things that you've shown us  
The stories you tell  
Aye Calypso, I sing to your spirit  
The men who have served you so long and so well  
Aye Calypso the places you've been to  
The things that you've shown us  
The stories you tell  
Aye Calypso, I sing to your spirit  
The men who have served you so long and so well
