"Every Time The Sun Comes Up"

Sharon Van Etten

Paceman for you hold my whole sales patient
Hey man, tricks can wait to heal my emotionsEvery time the sun comes up
I'm in trouble
Every time the sun comes up
I'm in troublePeople say I'm one hit wonder
But what happens when I have to
I washed your dishes,
But I shit in your bathroomEven when the sun comes up
I'm in trouble
Even when the sun comes up
I'm in troubleWe broke your glasses, but covered on ashes
Tic tac time silently fill rear room half eyedEvery time the the sun comes up
I'm in trouble
Every time the the sun comes up
I'm in trouble
Every time the the sun comes up
I'm in trouble
Imagine when every time the sun comes up
I see doubleYeah, she is
