

# Legions (in Hiding)

## Testament

Domestically violent  
With razor blade smiles  
Infested with anger  
A well hidden crime  
Teaching those lessons so cruelAh, the torment spreads  
War inside my head  
Please just set me free  
You call this, a family?Battered, abusive  
There's no wrong or right  
When you're enslaved in your room  
Hiding from demons  
In urban daylight  
Knowing that they'll be here soonConfusion and bruises  
And scars left for life  
When physical evidence fades  
Silently screaming  
Just to be loved  
Their innocence taken awayAh, the torment spreads  
War inside my head  
Please just set me free  
You call this, a family?Virtues are shattered  
By parents they trust  
When all love they give is misued  
The next generation  
The damaged will learn  
To keep spinning wheels of abuseAh, the torment spreads  
War inside my head  
Please just set me free  
You call this, a family?
