

Dancing With Tears in My Eyes

Ke\$ha

Here we go
Welcome to my funeral
Without you I don't even have a pulse
All alone it's dark and cold
With every move I die

Here I go
This is my confessional
A lost cause nobody can save my soul
I am so delusional
With every move I die

I have destroyed our love,
It's gone
Payback is sick
It's all my fault

[Chorus]
I'm dancing with tears in my eyes
Just fighting to get through the night
I'm losing it
With every move I die
I'm faded
I'm broken inside
I've wasted the love of my life
I'm losing it
With every move I die

When did I become such a hypocrite
Double life, lies that you caught me in
Trust me I'm paying for it with every move I die

On the floor I'm just a zombie
Who I am is not who I wanna be
I'm such a tragedy
With every move I die

I have destroyed our love,
It's gone
Payback is sick

It's all my fault

[Chorus]

This is it and now you're really gone this time (oh)
Never once thought I'd be in pieces left behind

[Chorus]
