Where Does It End Now

Samantha Mumba

Where does it End Now?
Ohh Ohh
Where does it end now?I don't know what to say
I don't know what to do
I've spent a lifetime looking for you
I can't believe the way
I tremble night and day
I feel so right whatever you doHow much more can I take -
'Cos there's nothing I can do about it? ('Bout it, 'Bout it)
How much more can you give -
'Cos you know that I can't live without itI don't remember how it started
But where does it end now?
And it's growing every moment
Where does it end now?
I just can't believe I found you
Where does it end now?
I could never be without you
Where does it end now?It's how you make me feel
When I'm alone with you
I'm Alive - You know that it's true
I want to let you know
Our love can only grow
I can (I can, I can)How much more can I take -
'Cos there's nothing I can do about it?
How much more can you give -
'Cos you know that I can't live without itI don't remember how it started
But where does it end now?
And it's growing every moment
Where does it end now?
I just can't believe I found you
Where does it end now? (Where does it end now?)
I could never be without you
Where does it end now?Without you
Never gonna lose you
No noHow much more can I take -
'Cos there's nothing I can do about it? (About it)
How much more can you give -
'Cos you know that I can't live without it (Without It)I don't remember how it started
But where does it end now? (Where does it end now?)

And it's growing every moment
Where does it end now? (Where does it end now?)
I just can't believe I found you
Where does it end now? (Where does it end now?)
I could never be without you
Where does it end now?
I don't remember how it started
But where does it end now? (Where does it end now?)
And it's growing every moment
Where does it end now? (Where does it end now?)
I just can't believe I found you
Where does it end now? (Where does it end now?)
I could never be without you
Where does it end now?
