Lammas Song

Inkubus Sukkubus

Sun-kissed and god-blessed and caressed by glorious honeyed fire
Undressed and cherished I care less what others think of me .
You brought the sun to my life
Your beauty blinded me
You brought the sun to my life
My golden sonnet, Adonis, I love you more each day
Your secret promise, I daren't miss what you have to say
You brought the sun to my life
You brought the sun to my life
You are my Lammas song
You are my Lammas song
You brought the sun to my life
And chased away the grey
You brought the sun to my life
You are my Lammas song
You are my Lammas song
You are my Lammas song
My heart's desire, your fire has scorched the greenest leaf
My joy soars higher that's why I will always need you here
You brought the sun to my life
You brought the sun to my life
You are my Lammas song
You are my Lammas song
You are my Lammas song
You are my Lammas song
You are my Lammas song
You are my Lammas song
