As Long As U Know

RL

As long as you knowI worship the rain that falls on the grass that you walk on
And the sun that shines on it to help it grow
So no matter where you go or whatever it is that you're going through
There's one thing that I think you ought to knowNo matter how far apart
Girl you always have my heart
I don't care where you go
As long as you knowI worship the rain that falls on the grass that you walk on
And the sun that shines on it to help it grow
So no matter where you are and whatever it is you're going through
There's one thing that I think you ought to knowNo matter how far apart
Girl you'll always have my heart, you
I don't care where you go
As long as you know
I love you so muchNo matter how far apart
Girl you'll always have my heart
I don't care where you go
As long as you know
Long as you knowLong as you know
