Excited

Decoding Jesus

(verse 1)
I wish that I could explain it, just why my heart won't slow down
Girl your body so amazing, tryna chill but I don't know how
Call me crazy but I know it's love is what I'm feelin'
Just one simple touch is more then enough to get me goin'
(Chorus)
Something about you gets me so excited
When I'm around you, I just cannot hide it
Try to hold myself, but I just can't fight it
One look in your eyes and baby I'm excited
(verse 2)
Say it's the way you move, your smile, your hair (everything about you)
To feel your kiss it makes it worse (what I gotta go through)
Said I'm bugging out everytime we hangin'out
Cuz it's in my mind so bad I wanna lay you down
Got me trippin, flippin'plans around (So I can chill with you)
Baby listen here can't hold it back gotta (know what I gotta do)
(Chorus)
Something about you gets me so excited
When I'm around you, I just cannot hide it
Try to hold myself, but I just can't fight it
One look in your eyes and baby I'm excited

(Bridge) x4
Look at me it's clear to see
its you and me
Just wan't to make you scream
Let me make you scream
(Chorus)
Something about you gets me so excited
When I'm around you, I just cannot hide it
Try to hold myself, but I just can't fight it
One look in your eyes and baby I'm excited
(verse 3)
I'm so excited
oooooh
baby im excited
and I just cannot hide it (no no)
and I just cannot fight it

baby I'm excited
said it's something about you
yeyeyeyeeeyeee
