

My Dad Sucks

Descendents

Judgement time again, who's on the shit list this time around
Whose friends can we pick and tell them how to live
Value judgement hide, it's a-comin' our way
He's just a jerk himself, tryin' to hurt his own
 He goes to the bar to get his girl
 But the rich he's got ain't what it's worth
 Says he need his little sexual push
Says two in the hand's worth one in the bush
 Because he's just a pain in the ass
 He's a thorn in my side
 Why can't he leave me alone?
 Instead of running my life?
