

# Free Bird

**Joey + Rory**

If I leave here tomorrow  
Would you remember me?  
I must be traveling on, now  
There's places I've got to see  
If I stayed here with you, love  
    It wouldn't be the same  
'Cause I'm as free as a bird now  
    And this bird you can't change  
    This bird you can't change  
This bird you can't change  
Bye, babe, it's been a sweet love  
    This feeling I can't change  
    Please don't take it badly  
Lord knows I'm to blame  
If I stayed here with you, love  
    It wouldn't be the same  
'Cause I'm as free as a bird now  
    And this bird you can't change  
    This bird you can't change  
Lord knows, I can't change
