Hi nuh take nothing fi dem dolly house brake up
Mi gun buss, whole place shake up
Tell dem, sick like flu
Sick like flu
To the business mi stick like glue
Mi sick like flue

Yo bitchy like yo sister
A couple years mi richer than the prime minister
Till mi reach weh mi waan reach
None nuh deh paw mi level suh gwaan preach

Mi have the contract none a dem cyaa breach
Yes dem a fight mi

Some eyes red, some eyes blue
Still cyaa si the things I do
Yo don't know the things I knew
Dem try shelf mi after mi gone
Dem fear mi in a physical form

Under ground dem a try wish us
