Rip It, Ride It, Swerve. (feat. Hfm)

7deucedeuce

Woke up it's 7:22 roll up to the track in your Ranger danger with the crew we tried and true let me tell you what we gonna do let me tell you what we choose
Rip it ride it swerve
rip it rip it ride it swerve
when I'm railing in these ruts life is just a blur
people tell me it's so sick I don't want to cure
I've been cursed with this blessing I will not deter riding is my purpose boy I'm sure that you concur so,
Rip it ride it swerve, let's rip it ride it swerve, let's rip it ride it swerve, rip it ride it swerve

I'm way up feel blessed my life's all bout zest
don't worry bout the rest that shit just make you stressed
I am about to be addressed you bout to be impressed
You know I got the flow hit to hit the triple triple triple
got the flow women wiggle wiggle wiggle
but I'm thinking bout riding my bike ain't no one changing my mind
Ima do it till I wanna just die
Im addicted to feeling the high
rip it ride it swerve
rip it ride it swerve
rip it ride it swerve
when I'm railing in these ruts life is just a blur
people tell me it's so sick I don't want the cure
I was cursed with this blessing I will not deter riding is my purpose boy I'm sure that you concur
Rip it ride it swerve
Let's rip it ride it swerve
Let's rip it ride it swerve
Rip it ride it swerve
7dueceduece come let me talk to you real quick come check out these yoshi carbon fiber tips
don't they look so trick don't they look so sick
I got a fresh pair of tires on just in case it's slick
I got a new set of Magik graphics on for the pics
7DueceDuece you need to jump on this bad bitch it's your CRF talking to you
let's go out and rip don't you wanna go ride on me throw some sick ass fucking whips
Come on 7DueceDuece let's go out and ride real quick (3)
I promise you that shit will be so fucking sick
you're blessed with the talent on your bike
you're cursed by me through your life you can run you can hide
But I'm always riding through your mind (2)

So let's rip it ride it swerve

Rip it ride it swerve
Rip it rip it ride it swerve
When I'm railing in these ruts life is just a blur
People tell me it's so sick I don't want the cure
I was cursed with this blessing I will not deter riding is my purpose boy I'm sure that you concur so
Rip it ride it sewerve
Let's rip it ride it swerve
Let's rip it ride it swerve
Rip it ride it swerve
I guess this is a blessing and a curse (8)
