

# Rescue

## Echo & The Bunnymen

If I said I'd lost my way  
Would you sympathize?  
Could you sympathize? I'm jumbled up  
Maybe I'm losing my touch  
I'm jumbled up  
Maybe I'm losing my touch  
But you know I didn't have it anyway Won't you come on down to my?  
Won't you come on down to my rescue? Things are wrong  
Things are going wrong  
Can you tell that in a song?  
I don't know what I want anymore  
First I want a kiss and then I want it all Won't you come on down to my?  
Won't you come on down to my rescue  
Rescue, rescue, rescue? Things are wrong  
Things are going wrong  
Can you tell that in a song?  
Losing sense of those harder things  
Is this the blues I'm singing? Is this the blues I'm singing?  
Is this the blues I'm singing?  
Is this the blues I'm singing? Won't you come on down to my?  
Won't you come on down to my rescue?  
Is this the blues I'm singing?  
Won't you come on down to my rescue? Won't you come on down to my?  
Won't you come on down to my?  
Won't you come on down to my? Won't you come on down to my?  
(Is this the blues I'm singing?)  
Won't you come on down to my?  
(Rescue) Won't you come on down to my?  
(Is this the blues I'm singing?)  
(Rescue)  
Won't you come on down to my?  
(Is this the blues I'm singing?)  
(Rescue) Won't you come on down to my?  
(Is this the blues I'm singing?)  
(Rescue)  
Won't you come on down to my?  
(Is this the, I'm singing?) Won't you come on down to my?  
(Is this the, I'm singing?)
