I Think It's Gonna Rain Today

Dusty Springfield

Broken windows
In empty hallways
Pale dead moon

And the sky streaked with grey

Human kindness overflowing

And I think it's gonna rain todayScarecrows dressed in the latest styles

With frozen smiles to keep love away

Human kindness overflowing

And I think it's gonna rain todayLonely, lonely

Tin can at my feet

I think I'll kick it down the street

That's the way to treat a friendRight before me

The signs implore me

Help the needy

And show them the way

Human kindness, it's overflowing

And I think it's gonna rain todayLonely, so lonely

Tin can at my feet

I think I'll kick it down the street

That's the way to treat a friendRight before me

The signs implore me

Help the needy

And show them the way

Human kindness, it's overflowing

And I think it's gonna rain today
