

In the Valley

Martin's Heritage

Verse 1

When I'm low in the spirit
I cry Lord lift me up
Oh I want to
go higher in thee
For the Lord knows
I cant see
On the mountain
So he picked out the Valley for me

Chorus

Jesus leads me
Beside still waters
There's somewhere in the Valley below
In the Valley below
And he took me aside
To be tested and tried
In the Valley
He restoreth my soul

Verse 2

As dark
as the dungeon
Where the sun still don't shine
Oh I question
Why must this be
But he told me there's joy in my sorrows
And there's victory
In each trial for me

Chorus

Jesus leads me
Beside still waters
oh Lord somewhere
In the Valley below
And he took me aside
To be tested and tried
In the Valley

He restoreth my soul
