Save It

Kat Dahlia

When you look my way, I don't know what to say
I want to make you stay
And I'm trying to convince myself, I'll never be deceived by you
Cause I'm making a decision and I'm working on this mission, for you
So I'm gonna drop it, yeah, I'm gonna risk it
Cause I see something, in your vision
Thats got me hoping, its got me winning
To race my loving, for the killingSo if you wanna save it for me, save it for me
Baby, If you wanna save it for me, save it for me
Ba-ba-baby, cause I'm working hard, to forget these scarsWhen you look my way, you make me want to change
I hope you don't go in vein
And your eyes are telling me a story, that my heart wants to believe
And though I hesitate as I'm awake, in my dreams I'm falling so deep
But I won't dare, cause I'm still scared
Are you gonna save it for me? Cause I won't share
I throw my heart in the air,
Baby don't lie to me, til you swearIf you gonna save it for me, save it for me
Baby, If you gonna save it for me, save it for me
Ba-ba-baby, cause I'm working hard, to forget these scars
I'm working hard, I know you might tear me apart
I'm working hard, you could tear me apart
Yeah, yeah, yeah, yeaah, ya-yeah...When you look my way, when you look my way
When you look my way, when you look my way
Baby, stay, ye-yeah, ye-yeah
When you look my way, I don't know what to say
You wanna make me stay
