

Alone (ft. Lily Elise)

Twin Shadow

Last time that I saw you
Said you'd make it up to me
I hadn't seen you since
And didn't plan to
Then last night when I saw you
You made it very clear
That I was nothing
And that you never planned to
Isn't it unfair
That I should be alone, waiting for you
I stay alone, I stay alone
I should be alone, waiting for you
I stay alone, I stay alone
The first time that I met you, the last thing that you said
Is you were free, and I will never hold you back, from whatever feels good
So is it me first?
(Me first)
Is it you first?
Who's it gonna be?
Isn't it unfair
That I should be alone, waiting for you
I stay alone, I stay alone
I should be alone, waiting for you
I stay alone, I stay alone
Isn't it unfair
That I should be alone, waiting for you
I stay alone, I stay alone
I should be alone, waiting for you
I stay alone, I stay alone
You can tell me not to move, I'll be waiting here for you
(We'll do whatever feels good)
I'd do anything for you, I've got nothing left to prove
You do whatever feels good and
Isn't it unfair
Last time that I saw you
Said you'd make it up to me
I haven't seen you since and I don't plan to
