

# Stella by Starlight

Oscar Peterson

The song a robin sings,  
Through years of endless springs,  
The murmur of a brook at evening tides.  
That ripples through a nook where two lovers hide. That great symphonic theme,  
That's Stella by starlight,  
And not a dream,  
My heart and I agree,  
She's everything on this earth to me. That great symphonic theme,  
That's Stella by starlight,  
And not a dream,  
My heart and i agree,  
She's everything on this earth to me.
