

I Want Your Sex (Monogamy Mix)

George Michael

I Want Your Sex
George Michael
Faith There's things that you guess
And things that you know
There's boys that you can trust
And girls that you don't
There's little things you hide
And little things that you show
Sometimes you think you're gonna get it
But you don't and that's just the way it goes I swear I won't tease you
Won't tell you no lies
I don't need no bible
Just look in my eyes
I've waited so long baby
Now that we're friends
Every man's got his patience
And here's where my ends I want your sex
I want you
I want your.....sex It's playing on my mind
It's dancing on my soul
It's taken so much time
So why don't you just let me go
I'd really like to try
Oh, I'd really love to know
When you tell me you're gonna regret it
Then I tell you that I love you but you still say NO! I swear I won't tease you
Won't tell you no lies
I don't need no bible
Just look in my eyes
I've waited so long baby
Out in the cold
I can't take much more girl
I'm losing control I want your sex
I want your love
I want your.....sex It's natural
It's chemical (let's do it)
It's logical
Habitual (can we do it?)
It's sensual

But most of all.....
Sex is something that we should do
Sex is something for me and youSex is natural - sex is good
Not everybody does it
But everybody should
Sex is natural - sex is fun
Sex is best when it's....one on one
one on oneI'm not your father
I'm not your brother
Talk to your sister
I am a lovesee-see-see-see-come on
What's your defintion of dirty baby
What do you consider pornography
Don't you know I love it till it hurts me baby
Don't you think it's time you had sex with meWhat's your defintion of dirty baby
What do you call pornography
Don't you know I love it till it hurts me baby
Don't you think it's time you had sex with meSex with me
Sex with me
Have sex with mesee-see-see-see-come on.
