

The Set Up

Unbroken

Bitch, I see
Did you know I know you?
Yeah, I know you Last time I saw you
You was brewed up, booed up, ready for a new fuck
Last time you saw me
I was PI to the motherfucking MP, what? And lately I heard you's a broke bitch
Livin' in the lower class suburb
And lately the word is I live in the suburb
And I don't fuck with birds She used to pump on the block
Sell a nigga rocks, bail a nigga out but
She tried to plot on a nigga
Vacant lot one shot bitch died go figure He used to pay this bitch, gave her lots of shit
Fuck's wrong with this nigga man?
He used to bring her through the hood
Treat the bitch to fuckin' good, my opinion We used to blaze with the bitch
Faded off the lick, she X-rays the clit
This nigga bought braids for the bitch
Louis Vuitton kicks and tricked on some sucka shit Meanwhile in the hood she drivin' around good
This bitch thinks she's in Hollywood
Meantime she settin' the nigga up
Telling us what his stuff she's ready to get him stuck, what? Thick thighs but she full of surprises
I swear this bitch is shady, that's what I know
Sex on her mind all the time
And you think that that's your baby, you don't know You a good guy that's living a lie
But she dove and played your safety, it's what I know
If you cool and she satisfied
How come that bitch just paged me? You don't know We had to ride on a nigga
Watch him, for the right time to get richer
We decided when the hit was, run up on him
.45 in the ribs, what? This nigga screamed like a bitch
Showed us what his shit hit her, hell of a lick but
The bitch, who told us bout the bricks exposed us to the nigga
He knew that we'd come but Meanwhile in his hood
His niggaz is suiting up and Timbed, looted up
Rims and new trucks, your man, 'Livin It Up'
Then a van with no hubs suddenly pulled up and erupt Shot a nigga the fuck up
Just my luck, the bitch got us both touched, it's like a rush
The bitch who blushed and smoked blunts wit' us
Turned out to be nuts, switched up Mixed up wit' the wrong slut

Got my friend zipped up in the bag, it's all bad
My niggaz got my back, in fact
They caught on her Ave, flossin' in another nigga cab
Thick thighs but she full of surprises
I swear this bitch is shady, that's what I know
Sex on her mind all the time
And you think that that's your baby, you don't know
You a good guy that's living a lie
But she dove and played your safety, it's what I know
If you cool and she satisfied
How come that bitch just paged me? You don't know
